Get on the internet using the latest technology! It's where fun, information & lots of socializing are going on! This class will help you use your browser more efficiently and have you emailing, sharing your photos with friends & family, viewing & downloading photos and documents, and safely working in the virtual world!

Discovering the Internet

- Surf the web exploring fun and receive a list of resourceful websites
- Work with Favorites, Tabs, Home Pages, and Shortcuts/Jump lists
- Explore search engines

Communicate via the Web

- Create an email account
- Email fundamentals (sending, receiving, replying...)
- Attach documents and photos to an email
