Overview:

Most people use Word but never tap into its ability to keep your work organized and professional looking! Work smarter by using Mail Merge, tables, images, headers & footers, Smart Art, charts, integrated Excel files, and so much more! Whether you are working, a diligent student, or an active retiree, if you use Word and understand the basics like undo, cut, copy, paste, and how to change a font, this comprehensive Word class is perfect for you!

Class Resources and Recommended Books:

Textbook, online materials, and a 2-year subscription to our comprehensive video learning library included. This class is an excellent prep for the Microsoft Office Specialist Exam.

Bring These Items To Class Daily:

- Pen or Pencil, note pad, flash drive

Instructional Procedure:

The Instructor will lecture while demonstrating various Excel techniques on a large screen at the front of the room. Students will follow along on their own classroom computer. Students may ask questions throughout the course.
