

Below is a rough outline of proposed Quilts and supplies for the school year 2016 - 2017 to be done between September 2016 and June 2017. You will learn new techniques with each quilt. The order will vary - new quilts are presented as the majority of the class has completed the previous quilt. We may not get to all the quilts proposed but any left will be put onto the next years schedule.

FIRST QUILT OF THE FALL SEMESTER WILL BE STUNNING
