

CVAS Parenting Program Fall 2010

Multiage Classes

5/7/2010

- We are currently taking registrations for our Fall 2010 classes.
- Every effort will be made to honor your 1st choice. If that class is full, you will be placed in your 2nd choice. All of our teachers follow the same philosophy and teaching strategies.
- We can guarantee a spot in our program, but we cannot guarantee a particular teacher or room. If staffing and room location happens, you will be notified.
- The registration and deposit will be collected **upon registration in a class**, this reserves your spot for the fall.
- The Reg/Lab cost per 9 week quarter for a TTH class is \$252 and a MWF class is \$378. There are additional charges for snack, clay, and concert that will be collected at orientation in August.
- We offer Infant/Toddler/Two year old classes for younger children and their parents.
- See other side for fee information and discounts.
- **If you have any questions, please call our Parenting Office at 805-492-8837.**

CVAS Parenting Program 2010-2011 Multiage Registration Payments and Fees

See other side for class information. We strive to keep our fees as low as possible for our families and still give you the best quality program. **In comparison to other preschools, we are still considerably less than their monthly rate and we require parent participation because that is the core of our program and the best model for your learning experience.**

- **You are registering for a year long parent education class with your multiage child.**
- To confirm placement in this class, you need to pay the first Quarter's registration and lab.
- There will be three more payments for the class due before each quarter (4th week of Oct, 2nd week of Jan, and 4th week of Mar).
